

# Maker Essentials - Switches & Potentiometers /PIM248

Essential for control of your project, this range of variable resistors and switches are ideal for taking control.

**Maker Essentials** are components and useful bits for everyday electronics and tech projects.

### **Kit contains**

- 5x 3mm tactile switches
- 5x 6mm tactile switches
- 5x 12mm tactile switches
- 5x circular caps for 12mm tactile switches
- 5x square caps for 12mm tactile switches
- 1x 1k $\Omega$  rotary potentiometer
- 1x 10k $\Omega$  rotary potentiometer
- 1x 100k $\Omega$  rotary potentiometer
- 3x potentiometer knobs
